

EITC PRE-K SCHOLARSHIP

Parents of Preschoolers,

At this particular time, we do not have scholarship applications. Preschool scholarships are funded thru United Way. Funding usually happens between the months of February thru April. United Way will have a better idea closer to April/May time if and how much funding is available.

We will continue to be checking with them. As soon as we know more, we will pass the information onto you.

Thank you for your understanding in this matter.

Sincerely,

HIS Kids Staff

Below is information taken from United Way's Website:

United Way of Butler County is an Educational Improvement Tax Credit (EITC) Pre-K Organization. This means, United Way of Butler County manages and oversees EITC contributions from eligible companies, as well as the application process and scholarship administration to eligible families and Pre-K organizations.
